The Kids Trust

Created by ... and In Memory of  
Gary L. Houck, Jr.

## Mission Statement

The Kids Trust (TKT) was created by Gary L. Houck, Jr. "To help young children of abuse grow up in a safe, happy and exciting environment." He had the mission statement and board of directors established prior to his death, and gave much thought to these selections and purpose.

In his memory, The Kids Trust, a charitable fund was established at The Foundation for Enhancing Communities. His family and TKT Board will establish the activities and benefactors of TKT. It is a perpetual fund, and will always accept contributions, suggestions and seek to fulfill TKT mission.

The Kids Trust fund will allow Gary's love and efforts to continue for years to come.

Thanks to our many loyal supporters, TKT has and will continue to grant significant resources, to specifically help prevent and treat child abuse. We ask you to consider supporting the TKT mission.
