Mission Statement

The Kids Trust (TKT) was created by Gary L. Houck, Jr. "To help young children of abuse grow up in a safe, happy and exciting environment." He had the mission statement and board of directors established prior to his death, and gave much thought to these selections and purpose.

In his memory, **The Kids Trust** foundation is established and aligned with The Foundation for Enhancing Communities. His family and TKT Board will establish the activities and benefactors of TKT. It is a perpetual foundation, and will always accept contributions, suggestions and seek to fulfill TKT mission.

The Kids Trust foundation will allow Gary's love and efforts to continue for years to come.

Thanks to our many loyal supporters, TKT has and will continue to grant *significant* resources, to *specifically* help prevent and treat child abuse. We ask you to consider supporting the TKT mission.
